

The General Comments / Suggestions for the 2013 **English**  
**competition**

**School category:** Primary School

**Competition category:** Sentence making

Date: 102/12/07

Comments / Suggestions

GENERAL COMMENTS:

1. Students should not skirt the issue of sentence writing by using sentences like, "Please look up the word \_\_\_\_\_, Abby." This does not show an understanding of the language.
2. Strive for sentence variety.
3. Students grammar and usage was very good. Keep up the hard work!

SUGGESTIONS

1. I cannot make any suggestions at this time.
