

The General Comments / Suggestions for the 2013 **English**
competition

School category: SENIOR HIGH SCHOOL: GENERAL STUDIES

Competition category: STORY / SUMMARY

Comments / Suggestions

GENERAL COMMENTS:

1. Too few students wrote creative stories; many wrote personal narratives. When students did write creative stories, the results were imaginative and enjoyable to read.
2. Students, overall, had an impressive vocabulary. Great work!

SUGGESTIONS:

1. The writing prompts were not an adequate measurement of students' writing as they both relied heavily on students' understanding of what constitutes "creative writing" and "summary".
