a.

Yesterday was my first day of school. I was very excited to meet my new teacher and my new friends. I finished my breakfast and quickly went to school. At school I met my new teacher, Ms. Chen. She welcomed me and wished me good luck on learning! I also made new friends! That was my

happiest day of all time!

b.

Last weekend, my friends and I went to shopping. We wanted to buy some new shoes. After an hour, we didn't find any shoe store. I took a map and started finding. Then I found a shoe store next to a bank and behind a park. We hurried to the store and each of

us bought a pair of shoes. Starting from that day, I used maps wherever I wanted to go!

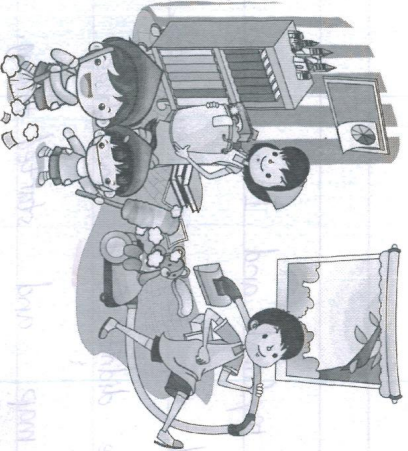

c.

I missed my grandmother - alot , so I decided to go to my grandmother's house this Saturday . Before that , I bought a present for her . When I was in her house I hugged her and told her that I missed her so much . Then I gave her the present I bought and she was surprized that it was

a phone! Starting from that day , I can phone her any time I want to chat with her!

d.

Last Sunday , my whole family was cleaning our house . The house was dirty and was messy . We worked together so we can finish it faster . I started sweeping the floor and my mom and dad arranged the house . When we finished , the house was clean and tidy . Everyone was happy to see the house clean !

We celebrated it by going to a restaurant and have lunch !
