I like shopping Vegetable. Because vegetable is not junk food, and it's health to eat it. I also like to buy some bread. But my brother say it's not really good for your body. Snack is one of my favorite food to. I know it's not health but sometime I take a break to eat. not health food's, like every day I eat bananas and apple. Shopping t-shirt is boring, I rather read one whole book then go buy a shoes or underwear.

d.

go to the park is my favorite time. We usually have lunch in there, or maybe we play ball's, or we just go to the park just for refreshing. I used to sing really loud in the park with my friend's. The tree in the park is beautiful. The sky is also beautiful. But the most beautiful thing's in the park is seeing nature. That's why I love to go to the park. But even now I still can't go to the first park I go and I hope I can go there someday.
