

# 花蓮縣 107 年國中英語作文比賽

## 2018 Hualien Junior High School English Composition Contest

### 一、故事接龍：(Story Relay) 50%

請閱讀以下的故事，再依照推論或創意接龍寫作，並完成故事，  
字數約 150 字（超過不扣分）。

(Please complete the unfinished story in about 150 words.)

We are all preparing for tomorrow's school carnival (學校園遊會) .

My classmates and I are decorating our stand. Although we are busy like bees and tired, we still feel delighted and excited. In tomorrow's school carnival, we are going to play some popular songs. Our consumers can say a name of songs by paying ~~for~~ fifty dollars, and we will perform to them by our instruments.

However, a <sup>terrible</sup> thing happens suddenly. The bass is broken! Bass is the most important part in orchestra. If we don't have the bass, the songs will be listened like lacking some thing, and the songs won't be beautiful that much.

Therefore, our teacher and us are thinking some methods after decorating. My teacher keeps talking on the phone with different instrument stores. Finally, after talking with ten instrument stores, there is an instrument store that can lent us a second-handed double bass. And it will be arrived next morning.

I wish that it will be a wonderful and fortunate day tomorrow. And now, I expect it that I cannot fell asleep.

## 二、引導式段落寫作(guided paragraph writing): 50%

請根據所給情境與資料完成約 150 字的寫作。

(Write a paragraph of about 150 words based on the given situation.)

Situation:

Write a letter to a friend and tell him or her what you plan to do in the upcoming winter vacation. You may begin your letter as follows:

Dear Amy,

How was your months? I hope that you had did a  
great job in this semester. There is only a month  
from today to the upcoming winter vacation. Do you  
have any plans for the vacation? I will go to  
the math camp for three days <sup>in Taipei</sup> in the first week  
of winter vacation. I'm very interested in math,  
so I would like to learn more harder math by  
going to the math camp. <sup>questions</sup>

I will go to my grandparents' house <sup>with my parents</sup> this vacation  
to gather with my whole family. I am excited about  
getting the red envelopes from my uncles and aunts.  
And I have a big dream for this vacation. It's  
a very difficult goal. I want to become taller. I  
want to grow to one hundred and sixty-five centimeters  
tall. I'm only one hundred and fifty-eight centimeters  
tall now, so my friends always laugh at me. Thus,  
I will keep jumping rope and drink milk every day.

I wish that you and me will have a fantastic vacation. Maybe we  
Yours truly, can go out and play together. Keep in touch!

Vanessa
