### Situation:

Imagine that you receive a letter from Harry Potter inviting you to visit Hogwarts and learn how to be a wizard or witch. Would you go? Why or why not? If yes, what type of magical spell would you be most excited to learn? Now please write a letter and tell him your decision.

Dear Harry,

I am a huge fan of you. I'm so glad that I can visit Hogwarts. To meet you is my biggest dream. I wish I can learn some magic as well just like you. Moving things without using our hands is the coolest thing I think. I would like to learn that on the day I visit Hogwarts. To be a wizard can let us lead a easier life. In the movies, people can move to anywhere as long as you can think of the places. If I can learn it. I won't be late for school again. Thanks again for inviting me to visit your previous school. That's my honor to visit there. I think I haven't waked up from my dream.
