We are all preparing for tomorrow's school carnival (學校園遊會) .

Tomorrow is our big day. We are having our first annual school carnival. It's called the "Spring Fling". What makes it even better is that its on the first day of spring, April 4<sup>th</sup>.

This school event is runned by the student council. I'm part of the decorating committee. I'm also vice-president of the student council. I plan out what activities there are, what kind of booths, different draws, and most importantly FOOD!

We raised enough money for a bouncy castle, and an Ipad mini for our draw. We already set up different booths, we have face painting, ballon darts, bean bag tosses<sup>v</sup> and more! If you win, you'll get all sorts of amazing prizes. For food, we have burgers, fries, candies drinks you name it. Most important of all, we have our AV (Audio visual) crew coming in playing all the top hit music.

We didn't plan all this just for nothing. Each ticket will be sold for 2 dollars, and all the money will be donated to senior homes. So not only are you gonna have fun, but your gonna give back to the elderly. That sounds like a great deal to me.

All That's left for tomorrow is setting up the bouncy castle and the meal prep. So If you wanna come join us at spring Fling, tickets would be sold at 11<sup>am</sup> and all booths open at 11:30<sup>am</sup>. I garrentee you have a good time. On behave of me, vice president and all the other hard working student council members.

## 二、引導式段落寫作(guided paragraph writing): 50%

請根據所給情境與資料完成約 150 字的寫作。

(Write a paragraph of about 150 words based on the given situation.)

Situation:

Write a letter to a friend and tell him or her what you plan to do in the upcoming winter vacation. You may begin your letter as follows:

Dear Reanne,

This winter break, I was thinking of going back to visit you. It's been about a year since we last saw each other. I remember back in Canada we would go snowboarding together. We should totally do that, how does that sound? A lot has changed over the years, and I wish you were here with me. All and all, I'm doing just fine on my own. How about you?

If I don't get a chance to visit you, I'm probably gonna go to Taipei with my family. Although I don't really know what we are gonna do <sup>there</sup>. My mom is keeping it a secret from me.

Sadly, ever since I moved to Taiwan, my family doesn't celebrate Christmas. So no more Christmas presents for me. But the good thing is that we celebrate something called Chinese New year. Instead of presents, we get red packets full of money. And that doesn't sound too bad to me.

What are you planning on doing this winter break?  
Write back as soon as possible.

Yours truly,

Jade

P.S. Have a wonderful Christmas and a happy new year!
