3	09:18~09:25	The Enormous Nose	less confident, theme of the story was not really clear.
4	09:27~09:34	Life Flight	controversial topic. like the 1st part, but as for the 2nd part, maybe a little too dramatic.

序号	时间	作品名称	comment/ suggestions
1	09:00~09:07	Mission I'm Possible	Elephant 'shouted timidly' = oxymoron? crises /kraɪs/:2/ not /kraɪsɪs/ Song 1 childish? (on topic but doesn't represent ability)
2	09:09~09:16	Sleeping Ugly—by Jane Yolen	Rhythmic. "Musical without song". Good.
3	09:18~09:25	The Enormous Nose	Label the characters? Stress of too many words/phrases flattens the overall expressive effect.
4	09:27~09:34	Life Flight	Brisk. Rhythmic. (Song well performed) Dramatic range could be broader: topic is serious; loud throughout doesn't fit all elements perfectly. Some sections could be slowed/quietened more for dramatic effect

1	09:00~09:07	Mission I'm Possible	Fairly clear Pronunciation. well rehearsed performance.
2	09:09~09:16	Sleeping Ugly—by Jane Yolen	Reasonably clear but some people a little unclear. well rehearsed.
3	09:18~09:25	The Enormous Nose	Some words not pronounced clearly → some strain for the listener, but a good overall performance. Got better as it progressed.
4	09:27~09:34	Life Flight	Clear pronunciation, but stress + intonation often in the wrong place. Good dramatic performance. Disturbing topic — Is this appropriate for elementary high school?! I guess it is!!
