- 一、此次參賽同學大多能針對題目提出自己的觀點，這是相當可喜的現象。
- 二、文章的鋪陳除了觀點外，理由及實例如果可能再多加注意及著墨的話，閱讀就更通暢。
- 三、文法及拼字普遍錯誤，僅舉數例，提供參考。
 - (一) on the other hand 指的是相反的情況
 - (二) 常出現不完整句，如：Because I don't like it.
 - (三) 時態不一致的句子，同學常忽略，如：My mom thought I am fine. If I had time, I can go with you.
- 四、整體而言，大部份參賽同學英文表現能力及遣詞用字多有提升，謝謝同學的努力及老師辛苦的指導。

Comments / Suggestions

There were a number of good efforts in this category, even from students who clearly had a weak understanding of the prompts and/or limited background knowledge of the topic.

Students should be encouraged, when they do understand the topic, to stick to it. Knowledge of the prompt should not be assumed in the reader; for example, prompted to write an invitation letter, the students should not simply state 'event' or 'carnival' but should add the location, date and time clearly.

TO AVOID:

- Comma splices. Sentence fragments, for example beginning "To verb...", "Verb + ing...", "In order to..."

- "Topic + Subject" constructions influenced by Chinese. Examples: "My teacher, she told us..."; "Greta Thunberg, this Swedish student..."
