The person I admire most is Judy. I admire him/her most for several reasons.

I admired Judy for a long time. She is a beautiful girl. I admired her because.

1. She is a kind girl. I never seen someone kinder than her. She ^{have} helped the little dogs to find their home and always smile to people. I really like her smile.

2. Judy is the most beautiful girl in my mind. Her eyes are big and brown. Her skin is so good and white. Her uniforms always smell good. She is the cleanest student in our class. Everybody likes her very much.

3. She is very smart. Every Math question is easy for her. But she never says that she is good at math. "I'm not good enough" this sentence is ^{what} she always said ~~says~~.

I admired Judy most for above three reasons. She was so wonderful that I admire so much. I hope I can become like her after a few years.

Dear Judy,

Long time no see! It is winter in Taiwan now. I'm so miss you that I write this letter for you!
